

# Sequencer

Name \_\_\_\_\_

Book \_\_\_\_\_

Write eight sentences that include the important events that occurred during the reading. Each sentence should be a different event. For each event, be sure you have included the answers to the following questions: Who? (character names), Did What? (the event), When?, and Where? (the setting). Cut the sentences apart on the dashed lines and have your group sequence the events.

As a group, decide which sentence tells the most important thing that happened in your reading and place a star next to it. Be careful not to use words like *first*, *then*, or *next*. When you turn these in, staple the events in order with your name on top.

A large rectangular area enclosed by a dashed border, containing eight sets of horizontal lines for writing. Each set consists of a solid top line, a dashed middle line, and a solid bottom line, providing a guide for sentence length and cutting points.
